Description

A unique opportunity to acquire the first ever Trident 620 by Outer Reef Yachts to come on the pre-owned market in Europe. Hull number 008 was built with every option on the specification sheet added and has had further upgrades, such as Bezenzoni passerelle and combined swim stair among a list of other upgrades. The yacht has many unique features, such as a full-sized stand-up engine room, full-sized crew cabin, a dedicated electronics and switching space outside of the engine room, a full-beam master suite and two further cabins both with en-suite facilities.

The saloon is elegant and bright with virtually 360 vision through the panoramic glazing. Trident 620 is a go-anywhere vessel and is designed for extended passages and extended time aboard. Her plumb bow slices through a head sea without slamming or compromising comfort. Key features include Vector fin stabilisation with zero speed, water maker, twin gensets, AC throughout with back up system to the master, Cummins Zeus drive system for performance and excellence efficiency, sky hook station holding, auto pilot, a full suite of Simrad electronics with glass bridge screens, on-board monitoring and switching system and upgraded wifi and sat nav system and a home theatre surround sound TV system.

Very rare opportunity for a beautiful condition Outer Reef Trident perfectly maintained by a fastidious owner. The yacht is professionally cared for by local team in Palma - early viewing recommended.

Information & Features

Cummins QSB 6.7ltr (Engine 1)

Type:	Inboard	Power:	550 hp
Fuel Type:	Diesel		
Drive Type:	Pod Drive		

Cummins QSB 6.7ltr (Engine 2)

Type:	Inboard	Power:	550 hp
Fuel Type:	Diesel		
Drive Type:	Pod Drive		

Dimensions

LOA:	61 ft 0 in
Beam:	16 ft 2 in
Max Draft:	3 ft 11 in

Weights

Displacement:	24,000 kg
---------------	------------------

Tanks

Fuel:	2,700 l
Fresh Water:	700 l
Holding:	378 l

Accommodations

Cabins: **3**

Heads: **3**

HULL CONSTRUCTION

- Hybrid resin infused FRP hull with PVC core sandwich construction
- Vinylester barrier lamination for osmosis protection
- Moulded stringer/grid system
- Awlgrip paint system finish above waterline
- Two (2) coats of black antifouling paint over five (5) coats of epoxy primer below waterline
- Integrally moulded rub rails with stainless steel capping
- Full length keel extends below running gear
- CE-approved stainless steel portlights
- Boat construction from only 3 major moulds
- Divinycell PVC cored construction with Awlgrip paint system
- All deck and hull area hardware attachments are finished with solid lamination – no coring
- Bilge area finished smooth and coated with bright white top coat
- Windows with 3/8" tempered safety glass in salon and 1/2' tempered safety glass in pilothouse
- CE Class A certification
- Grey hull

- Aft deck with teak decking
- High-low swim platform with teak decking
- Integral swim ladder and passerelle by Opacmare
- Sliding and removable 316 stainless steel tender support system on swim platform
- Ten (10) Aqualuma underwater LED lights
- Stairway built-in to port and starboard side from swim platform to aft deck
- Aft deck FRP bench seating with removable Sunbrella cushions
- Glass and stainless hinged door to salon with top hinged glass window
- FRP weather tight door on transom
- Transom shower with hot and cold water supply
- Stair to sun deck in FRP and teak finish
- Side gates port and starboard
- One (1) 50 amp shore power inlet with single Glendinning cable master for 220v 50hz
- Second 50 amp shore power inlet and cables, if dock power is insufficient
- LED courtesy and overhead lights
- 316 stainless steel cleats
- 316 stainless steel hand rail to and from aft deck
- Twin capstans
- Aft sunshade on removable track

SIDE DECKS

- FRP moulded side decks with teak
- Weathertight door opening into pilothouse on starboard side only
- House side fixed windows with tinted tempered glass
- Fuel fill fitting for main tank recessed into house side
- 316 stainless steel starboard side fuel filling cap
- LED courtesy lights along walkways and side steps

FORE DECK

- Foredeck with teak surface
- Windows on front of foredeck with blackout removable covers
- 316 stainless steel rails on teak base
- 316 stainless steel stanchions to support handrail
- Deck lockers within coach house sides forward either side finished in white epoxy paint
- Sun pad with hinged backrest
- 316 stainless steel anchor chute/roller at bow
- 45kg Ultra anchor with 100m of chain
- Spare anchor
- Maxwell vertical windlass with foot switches and connection to both helm positions
- Custom bow flag staff
- Watertight bow anchor locker hatch flush-fit to deck providing access to fully finished anchor locker with hull side chafe protection, bitter end fitting and overboard drains at boot
- Salt water wash down pump with outlet
- Fresh water wash down pump with outlet
- Salt water and fresh water 316 stainless steel faucets inside foredeck lockers
- Deck drains plumbed to bootstripe to prevent black streaks
- Fuel fill fitting for second tank inside port locker

FLYBRIDGE

- Wide beam deck with teak surface and ample storage space
- Windscreen with 316 stainless steel rails
- Molded FRP steering console with engine controls
- Electronics console
- 4" magnetic compass
- Teleflex hydraulic steering system
- Steering wheel
- Two (2) custom helm seats with powder coated bases by Stidd with naugahyde fabric
- Fire system repeater alarm
- One (1) L-shaped settee with Sunbrella cushions and one (1) teak table to port
- FRP cabinets
- Navigation lights in accordance with appropriate collision regulations
- Trumpet air horn with compressor
- Two (2) 24v to 12v DC-DC converters with 12v battery back-up system
- FRP radar arch
- ACR 24v DC searchlight with dual station controls
- 316 stainless steel mast with bow and anchor lights
- LED courtesy lights
- LED service light under flybridge steering console
- Carbon fiber hard top with electric sunroof

SUN DECK

- Deck with teak surface
- Removable tender cradle with additional deck tie down pads
- 360kg capacity aluminum painted davit with 3-way hydraulic control with rotating base
- Electric BBQ
- Sink console and storage
- Fridge/freezer

LAZARETTE

- Coin dot flooring
- Hull interior finished with white gloss polyurethane paint
- LED overhead lights
- 220v AC GFI outlets
- Formica finish on walls
- Independent manual switch for stabilisation controls
- Dometic A/C unit

ENGINE ROOM / MECHANICAL

- Acoustically insulated stand-up engine room lined with sound absorbing material to highest standard
- Aluminum checker plate flooring
- Twin Cummins QSB 6.7ltr 550bhp HO diesel engines with Zeus pod drive system
- One (1) Cummins Onan quiet diesel 17.5kw 50Hz generator
- Additional Paguro 454 4kw generator
- Electric Side Power 10.5hp bow thruster
- Side Power Vector stabiliser system, including zero speed
- Sky Hook joystick with GPS station keeping
- C-Zone vessel monitoring and control system, including automation of all lighting electrical functions and monitoring of ships functions
- Dual voltage and frequency configuration (50/60 hz, 120-220v) including auto switching transformers, isolation transformer, for use in the US
- Direct expansion air conditioning system
- Ball-valve bronze seacocks on all through-hulls below waterline
- Oil change pump for engines and generators
- One (1) 50amp isolation transformer
- Two (2) Racor 1000 MA single fuel filters for main engines
- One (1) Racor 1000 MA single fuel filters for generator
- Fireboy fire suppression system including both intake and outlet air shutdown system with aluminum louvers
- Two (2) automatic bilge pumps 24v DC
- AGM (Absorbed Glass Matt) batteries in FRP boxes:
 - a. Two (2) engine banks with two (2) 8D batteries for each bank
 - b. One (1) house bank with four (4) 8D batteries with a total 510 amp-hours (24v DC)
 - c. One (1) generator bank with one (1) battery
- One (1) 12v battery charger
- One (1) 24v battery charger
- Two (2) battery isolators
- Two (2) water heaters
- 24v DC blowers
- LED overhead lights
- 316 stainless steel safety rails around engines
- Watertight bulkheads
- Watertight aluminum engine room door
- IDROMAR 140 litres/hour watermaker
- Electric trash compactor
- Sliding storage drawers
- Fishing rod holder system

- Copper bonding system to all underwater fittings with zinc anodes
- Headhunter 24v DC fresh water pump
- Second 220v spare fresh water pump

TANKAGE

- One (1) holding tank with a max capacity of 378 ltrs with two (2) macerator/discharge pumps
- Two (2) stainless steel water tanks with a max capacity of 700 ltrs
- Two (2) moulded fuel tanks with a total capacity of 2700 ltrs
- Inspection and cleaning ports on all tanks

SALON

- Hinged door entrance from aft deck
- Fixed windows in house sides with medium 3/8" tinted tempered safety glass
- Window blinds
- Valance over windows with LED rope lighting
- Vinyl headliner
- Built-in L-shaped settee
- Entertainment center cabinet with TV lift
- Air conditioning control panel
- Cabinetry and lockers
- 220v AC outlets
- LED overhead lighting
- Pre-manufactured wood flooring
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Wine cooler
- Additional fridge/freezer

GALLEY

- Granite countertops with a stainless steel sink
- Chrome faucet
- Cabinets and cabinet doors with chrome push-button locks
- Satin varnish with hi-gloss on interior veneers in combination with vinyl wall coverings
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Window blinds
- 220v AC GFI outlets
- LED overhead lighting
- Pre-manufactured wood flooring
- Bar stools at galley counter
- Undercounter drawer-type refrigerator and freezer units
- Miele dishwasher
- Miele touch-control ceran cooktop
- Miele 7-function oven / microwave
- Integrated extractor fan

PILOTHOUSE

- Settee on raised platform
- Polished teak high-low dining table
- LED overhead lights
- LED red night light
- 220v AC outlet
- Custom electric helm seat with powder coated base and naugahyde fabric
- Custom wood steering wheel at helm
- Two (2) engine display screens
- Main electrical distribution panels with gauges and circuit breakers for AC and DC
- Cummins throttle and pod controls
- 4" magnetic compass
- Two (2) stainless steel dual speed self-parking windshield wipers
- ½" clear tempered glass in forward facing windshields
- Sunscreens for forward windows
- Vinyl headliner
- Generator digital control panel
- 24v DC to 12v DC converter
- Windlass up/down switch and control circuit breaker
- Bilge pump controls
- Gauges for all main systems
- Humphrees control panel
- Storage cupboard
- Weathertight door opening out to starboard
- Curved stairway leading to accommodations
- Pre-manufactured wood flooring

LOWER HALLWAY

- Curved stairway from pilothouse with LED courtesy lights
- Bulkhead finished with wall covering
- Washer and dryer
- Access doors to staterooms
- Pre-manufactured wood flooring
- Floor access to bilge pumps and wash pumps

FULL BEAM MIDSHIP MASTER STATEROOM

- King size berth with paneled headboard
- Drawer storage under the berth
- LED rope lighting under the bed
- One (1) walk-in cedar-lined hanging locker with door
- Interior lights in lockers
- Drawers with center guides and stops
- Door stops and holders
- Bulkheads with wall covering and /or veneer
- Two (2) CE-approved portlights
- Electric window blinds
- LED overhead lights
- 220v AC outlets
- Air conditioning control panel to main unit
- Second independent Condara 15kw 10btu A/C unit as reserve
- Satin finish interior veneers in combination with vinyl wall coverings
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Safe
- Carpeted flooring

MASTER HEAD (ENSUITE)

- Ensuite head with shower
- CE-approved portlights
- Tempered glass showed door with a towel bar
- Molded white FRP shower with tiled floor
- Mirror ceiling to shower
- Grohe hand shower with hose and soap dish
- Granite countertop with white under-mount sink
- Chrome center-set single lever faucet at sink
- Storage cabinet under sink
- Heated towel rail
- Satin varnish interior veneers in combination with vinyl wall coverings
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Tecma Marine 24v electric white toilet with sanitary hose for all discharge plumbing
- 220v AC GFI outlet
- LED overhead lighting
- Pre-manufactured wenge wood flooring

VIP STATEROOM FORWARD

- Tapered queen-size berth
- Storage drawers under the berth
- Two steps on each side of the berth for easy access
- Window blinds
- LED rope lighting at valance
- LED overhead lighting
- Reading lights
- One (1) cedar-lined hanging locker
- Interior light in locker
- Satin varnish interior veneers in combination with vinyl wall coverings
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Bulkheads with wallpaper and veneer
- 220v AC outlets
- Air conditioning control panel
- Second independent Condara 15kw 10btu A/C unit on reserve
- Carpeted flooring

VIP HEAD (ENSUITE)

- Ensuite head with shower
- CE-approved portlight
- Tempered glass shower door with towel bar
- Molded white FRP shower with tiled floor
- Mirror ceiling at shower
- Chrome hand shower with hose and soap dish
- Granite countertop with white under-mount sink
- Chrome center-set single lever faucet at sink
- Storage cabinet over sink
- Heated towel rail
- Satin finish interior veneers in combination with vinyl wall coverings
- Chrome door handles on all interior lockers
- Tecma Marine 24v electric white toilet
- 220v AC GFI outlet
- LED overhead lights
- Pre-manufactured wenge wood flooring

GUEST STATEROOM PORT

- CE-approved portlight
- Two (2) bunk berths with storage under the bottom one
- LED rope lighting at valance
- One (1) cedar-lined hanging locker
- Satin varnish interior veneers in combination with vinyl wall coverings
- Drawers with full extension guides and push button latches
- Chrome door handles on all interior lockers
- Interior light in locker
- Door stops and holders
- Bulkheads with wallpaper and veneer
- 220v AC outlet
- LED overhead lights
- Air conditioning with inlet and control knob
- Reading lights
- Carpeted flooring

GUEST HEAD

- Head with shower
- Moulded white FRP shower
- Hand shower with hose and soap dish
- Central ventilation
- Granite countertop with white under-mount sink
- Chrome center-set single lever faucet at sink
- Tecma Marine 24v electric white toilet
- Satin varnish interior veneers in combination with vinyl wall coverings
- LED overhead lighting
- Pre-manufactured wenge wood flooring

CREW QUARTERS

- Crew quarter aft with double berth
- Storage
- Head / shower / toilet
- Hanging locker

CRUISING/SAFETY PACKAGE

- Six (6) 15" x 41" Polyform F-series black fenders
- Twelve (12) 15' x ½" black fender lines
- Four (4) 3/4" x 35' double-braid nylon black dock lines
- Two (2) 3/4" x 50' double-braid nylon black dock lines
- Six (6) Kiddie Mariner 2 ¾ lb M10 fire extinguishers
- Two (2) Jim-Buoy 24" ring buoys
- One (1) Orion safety blaster horn
- One (1) 6-man life raft

AUDIOVISUAL PACKAGE

SALON VIDEO / AUDIO:

- Samsung 46" 1080p TV
- Samsung DVD
- Film storage hard drive unit
- Sky box
- Samsung sound bar

AFT DECK AUDIO:

- Two (2) cockpit co-axial speakers and control unit

FLYBRIDGE AUDIO:

- Cockpit co-axial speakers and control unit

MASTER STATEROOM VIDEO:

- Samsung 40" 1080p TV
- Samsung DVD

VIP STATEROOM VIDEO:

- Samsung 22" 1080p TV

GUEST STATEROOM VIDEO:

- Samsung 22" 1080p TV

CREW VIDEO:

- Samsung 22" 1080p TV

MISC:

- TracVision TV5 Trac KVH M5 dome and control panel
- Wave wifi hotspot solution - Rogue hotspot (800 mW), EC-HP hotspot amplifier 1000m, AV55BI wifi 8" antenna 2400-2480 Mhz

NAVIGATION / ELECTRONICS PACKAGE

FLYBRIDGE EQUIPMENT:

- Simrad SSI displays
- Simrad VHF
- 16' VHF antenna with Rupp collar
- Two (2) NSS16" EVO2 SIMRAD combo displays including GPS
- Simrad color MFD IS35 digital gauge x 2
- RS 90 VHF 2nd handset and speakers
- 1.8m Galaxy broadband antenna
- NSPL-400 antenna splitter
- Hailer horn
- Simrad AP28 display
- IS20 Combi marine digital instrument display (speed, depth, temperature and trip log data)
- Cummins Vessel View with AutoPilot and trim tab functions

PILOTHOUSE EQUIPMENT:

- 16' VHF antenna
- Three (3) IS20 Combi marine digital instrument displays
- Two (2) NSS16" EVO2 SIMRAD combo displays including GPS
- SIMRAD 19 nm open array digital radar
- Simrad color MFD IS35 digital gauge x 2
- CUMMINS Vessel View with Autopilot and trim tab functions
- RS 90 SIMRAD Black Box VHF AIS/RX/PA (includes horn)
- C-Zone and network links

OTHER NAVIGATION EQUIPMENT:

- BSM-2 broadband sounder including transducer
- Ultrasonic wind/weather
- AIS 400 transponder

CAMERAS:

- Iris 700 TVL 2.8 mm wide angle mini ball IR camera (engine room)
- Iris 620 TVL clam shell static camera (aft deck and port/starboard side decks)

ADDITIONAL ITEMS:

- Wilson Electronics cellular amplifier
- Shakespeare AM/FM VHF band separator
- Off Air TV antenna
- UPS (uninterruptible power supply)
